Dear Policyholder:

Thank you for insuring with American Family Insurance. This notice provides you with important information about the Terrorism Risk Insurance Program Reauthorization Act of 2015. Please read the information below about the act and notify American Family if you wish to change your previous decision regarding acceptance or rejection of the coverage for "certified acts of terrorism."

Some Background

On Nov. 26, 2002, President Bush signed the Terrorism Risk Insurance Act into law, which requires insurance carriers to make coverage available to policyholders for losses due to "certified acts of terrorism". This law has been reauthorized since then, and the latest reauthorization occurred in January of 2015 when President Obama signed the Terrorism Risk Insurance Program Reauthorization Act of 2015 into law. The most recent reauthorization extends the current program for six years.

As an American Family customer, you have the right, under the recently reauthorized law, to purchase insurance coverage for losses resulting from "certified acts of terrorism", which are defined as: any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism. The criteria contained in that law for certifying an act of terrorism includes the following:

- The act is a violent act or an act that is dangerous to human life, property or infrastructure;
- The act results in aggregate property and casualty insurance losses in excess of \$5 million; and
- The act is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Further Explanation

Where coverage is provided under the act for losses resulting from "certified acts of terrorism," such losses may be partially reimbursed by the United States Government as established by the act. You should also understand that your policy may contain exclusions (not part of the act) that might affect your coverage. For example, if a "certified act of terrorism" occurs and results in damage that you're not covered for under other portions of your policy, the terrorism coverage may not apply to the loss because you need to have underlying coverage to qualify for a "certified act of terrorism" loss covered by the act.

You should also be aware that the reauthorized act contains a \$100 billion cap that limits United States Government reimbursement as well as insurers' liability for losses resulting from "certified acts of terrorism" to \$100 billion per calendar year. What this means is, if the combined insured losses for all insurers exceeds \$100 billion, your coverage may be reduced due to the cap.

Per the act, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by American Family Insurance. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the Federal Government under the act.

TERRORISM INSURANCE COVERAGE OPTIONS

Our records indicate you previously elected not to purchase coverage for "certified acts of terrorism" for the policy referenced above. If you do not wish to make any changes regarding this coverage, you do not need to do anything, and the coverage will continue to be excluded throughout the renewal term of your policy.

However, if you want to add coverage for "certified acts of terrorism," please indicate your decision to accept coverage, and sign and return this notice in the provided envelope.

_____ I wish to purchase coverage for "certified acts of terrorism." I understand that I will be charged an additional premium for this coverage.

If you choose this option, you must notify us before your policy's effective date by signing and returning this letter in the enclosed envelope. (Exception: If we send you a new disclosure form after your policy's effective date, and you wish to change your election, we will endorse your policy to reflect your new coverage election.)

Your decision to accept coverage for "certified acts of terrorism" applies to the term of this policy. You will receive an offer and disclosure at each renewal as required by the Act.

Please sign and return this notice only if you are accepting coverage.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Coverage under this policy will follow the insuring agreement, terms, exclusions, definitions, and conditions of the Directors And Officers Liability (Condominiums, Co-Ops, Associations) Endorsement as applied to the Businessowners Coverage Form and any applicable state amendatory endorsements on the "underlying insurance" policy except the definitions of "ultimate net loss" and "underlying insurance" which are defined in the Commercial Liability Umbrella Coverage Form provided that:

EXCLUSION OF CERTIFIED ACTS OF TERRORISM AND EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES

This endorsement modifies insurance provided under the following:

COMMERCIAL LIABILITY UMBRELLA COVERAGE PART

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of a "certified act of terrorism", or out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, with respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds \$25,000,000 (valued in US dollars). In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - a. Physical injury that involves a substantial risk of death; or
 - b. Protracted and obvious physical disfigurement; or
 - c. Protracted loss of or impairment of the function of a bodily member or organ; or
3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part or underlying insurance to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or underlying insurance.
2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;
 - b. The act resulted in damage:
 - (1) Within the United States (including its territories and possessions and Puerto Rico); or

- (2) Outside of the United States in the case of:
 - (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
 - (b) The premises of any United States mission; and
 - c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".
- Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.
- C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

AMENDMENT OF INSURED CONTRACT DEFINITION

This endorsement modifies insurance provided under the following:

COMMERCIAL LIABILITY UMBRELLA COVERAGE PART

Paragraph **9.** of the **Definitions** section is replaced by the following:

9. "Insured contract" means:

- a.** A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b.** A sidetrack agreement;
- c.** Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
- d.** An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e.** An elevator maintenance agreement;
- f.** That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees";

- g.** That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraphs **f.** and **g.** do not include that part of any contract or agreement:

- (1)** That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, road-beds, tunnel, underpass or crossing;

Dear Policyholder:

Thank you for choosing American Family for your insurance needs. We value your business and want to make you aware of an important exclusion that applies to your new Commercial Liability Umbrella policy.

A review of your current policies indicates that we do not provide you with Employers Liability coverage. Employers Liability coverage is usually provided under a standard Workers Compensation policy. The Commercial Liability Umbrella policy automatically excludes Employers Liability coverage unless there is an underlying Insurance policy that provides the coverage. Therefore, your new Umbrella policy will exclude Employers Liability Coverage.

We will consider rescinding this decision if you can provide us, prior to the renewal date, proof of Employers Liability coverage with us or another carrier with limits at least equal to, or greater than:

- \$500,000 Bodily Injury By Accident, Each Accident
- \$500,000 Bodily Injury By Disease, Each Employee
- \$500,000 Bodily Injury By Disease, Policy Limit

If you have any questions with regards to this matter, please feel free to contact your agent or us. Your continued interest in American Family is appreciated.
